Dear New LA Board,

I am writing this evening with an update on Day 1 of the UTLA strike. While there was no strike activity at the Middle School, the Elementary School was impacted by a picket line that blocked the parking lot entrance this morning and afternoon.

We ran carline from the street and Baldwin Hills Rec Center, and New LA parents, administrators, and teaching assistants walked students across the line safely. There was no police support as promised by LAUSD, and the chanting and rhetoric was anti-charter. Aside from blocking access to our parking lot, the protest remained calm and there were no direct incidents with the Baldwin Hills teachers.

We are prepared for Day 2, and I will continue to keep you posted as the week unfolds. Of course, please let me know if you have questions I can answer.

Best wishes,
Brooke
